## SPECIAL NEWS!

Another Interview has come around but I have decided to shake things up and do an interview with one music teacher. Miss Summerville (the best one I know). We have 3 questions as usual, they are Q1 What got you into music? Q2 What was the first instrument you played? Q3 What is your favorite instrument to teach? Now ~~for Miss Summerville~~ she said "I started playing the flute in year 3 and that's what got me really into it. Flute and the xylophone were the best to teach."

## Story

"What?" asked Bethany. "Why isn't the box with the multiverse here behind the waterfall?" asked Estella. "I don't know, according to my calculations it should be right here in front of Bethany" replied Katniss. "Well where is it?" said Estella. "I have ~~idea~~," replied Katniss. "Katniss, what's

that?" asked Bethany. "Oh no it's the Celestial Guardian"  
replied Katniss.
