**Story**

“Katniss you have failed your mission in bringing the werewolf royals back to their true home and finding all of the missing items” boomed the Celestial Guardian. “Katniss hasn't failed her mission yet” replied Estella. “She can still find the last missing item” exclaimed Bethany. “No she has failed” replied the Celestial Guardian. Now looking very firm and angry “You leave us no choice then” said in unison. “To do what” asked the Celestial Guardian? “We will take you to stand trial with our mother and father as head of the court” they replied.
