Book Parade 2022

Hello LHPS, in the Latest news our Book Parade has come and gone on the 17th this month. Students had a wonderful day with some amazing costumes and an awesome treasure hunt. Here are some fabulous pictures taken by some of the teachers.

Meanwhile the Stage 3 Brisbane Sunshine Coast camp is coming up very soon. Students and staff will have to prepare for a 4 day camp in Brisbane. From driving there to going to shows and tours and finally driving back home. In other news Archie's Advocate will now be a fortnightly (2 weeks) thing. Advocate's will now come out every two weeks because I have noticed that some people are up to number 3 for example when I have written 7 editions! For the last part of the Latest News I have a possible update with Archie's Advocate (apart from it being 2 weeks now.) I may possibly be putting a Archie's Advocate suggestions box outside Miss Stafford's for students and even teachers and staff to put the name, class and suggestion. Student's may suggest recipes, book reviews or other topics that they would like in the Advocate. There might be suggestion slips with pens or pencils outside the box. I'll keep you all posted for that possible update. That's all from the Latest News!

Events

In other news the Byron Bay Writers Festival is coming up very soon next week in Week 6. Students will travel by bus with our librarian and excursion coordinator, Mrs Blair, to the area and meet some amazing authors who have written some wonderful books. Students will also have the opportunity to purchase and collect books from these authors. The day after our school is having a LHPS open day in celebration of Education week. Our school band will play some songs and our choir will sing as well. Parents will have the opportunity to have a picnic lunch with their kids. Then finally after that our school band will have a full combined LSTT Band day at Southern Cross Public School. They will perform some songs with their instruments for a Southern Cross Public School audience. That's all from Events.

Interesting Time!

I have a special article with 3 pictures of our school and you will vote on which one is your favorite. Our 3 photographers are Avaluna in Year 6, Jade in Year 6 and me Archie in Year 5. I will come around to 3 lucky classes to see which photo they like best. Teachers will record the vote and bring the results to me and we will see who is the winner. Here are the pictures!

Story

“Why are you taking me to the Royal Court with your mother and father as judges?” demanded the Celestial Guardian. “Because you have doubted Katniss all this time when she has led us to our destiny and our future” replied Bethany. “She has also found every item but one,” conceded Estella. “Wait, girls the signal is back it says that the box with the multiverse is behind the Celestial Guardians back!” exclaimed Katniss. Before anyone moved Estella leaped into action and took the box with the multiverse out of the Celestial Guardians hand. “Ah ha so you were here all this

time with the box to hide it from us, but why?” shouted Estella. “I did it so Katniss could no longer become a guardian and I could take her place as head of the guardians” he replied. Suddenly Katniss was furious and led the Celestial Guardian to the Royal Court where Bethany and Estella finally met their real parents. “Mother, Father we’re so glad to finally see you” exclaimed Estella and Bethany in unison. “So are we darling’s, so are we,” replied their mother. “Yes we are,” continued their father. “Hello king and queen this is lovely but can we get back on track?” asked Katniss. “Hello Katniss and yes of course” replied the queen. So before you could say Wholling wrackspurts the trial was nearly over, but the queen had one more question. “Finally why did you steal the box of mysteries with the multiverse in it?” asked the queen. “Because I don’t work for you, I work for Queen Matalia and Emperor Xoroth, ” replied the Celestial Guardian.
