Respect, Responsibility, Integrity

FRIDAY 18 NOVEMBER 2016

TERM 4 | WEEK 6

From the Principal's Desk

Wow what another fantastic week we have had here at Lennox Head Public School. I would like to say a massive well done to the amazing Kindergarten team for their dedication and persistence in ensuring that the Kindergarten orientation program for 2017 was an outstanding success. The school has received lots of wonderful feedback on this program and how the Kindergarten children cannot wait to begin school next year. Well done to everyone involved.

I would also like to commend the Year 5 students for their role in the program as buddies. You have also done an excellent job. I look forward to receiving leadership booklets from many of you as you apply for leadership roles for 2017.

Enrolment Reminder - 2017

If anyone does need to enrol their child for 2017 in Kindergarten or another class please contact our office as soon as possible, this assists greatly with our planning for next year. If we don't know about you we can't add you to our class lists.

A reminder if you know that you are not returning to our school in 2017, can you please advise the office as soon as possible. We are now planning our class structures for 2017 this involves placing children in classes and allocating teachers. Students will be informed of which class they will be when they return to school in 2017.

School Reports

Teachers are currently busy writing end of year reports. These will hopefully be distributed to parents by the end of week 9 if technology is kind to us. This will give parents the opportunity to discuss any concerns they may have with the teacher before the end of the school year.

New Carpet - Reminder

Next week there will be some disruptions to some of the K/1/2 classrooms as they are having new carpets installed. Each room will be done over a day so we will accommodate classes in the library whilst this is being installed. We thank you in advance for your co-operation in this matter whilst we have the workmen on site.
