Principal's Message

We are certainly nearing the end of the school year. There are lots of great things still occurring as we lead up to our last day on Wednesday 19 December.

It was a pleasure to listen to our aspiring leaders Maddie A, Miah B, Kahlila M, Ava W, Keenan C, Jimmy M, Maverick R and Jacob N present their speeches to the school at assembly on Monday afternoon. It is always wonderful to listen to students speak so highly of their school and their goals and ambitions to make it even better. I would like to wish all of you the best of luck, as each one of you will do an outstanding job in whichever leadership role you receive. Our school captains and executive team will be announced at our presentation assembly on Friday 14 December beginning at 9:45am in the school hall.

Next week, Tuesday 11 December our Stage 2 and 3 students will participate in a fun swimming carnival at the Ballina pool, I am sure you will have a great day. Our Year 6 students will be officially farewelled at their graduation dinner on Wednesday evening 12 December in the school hall. I would like to thank you all for your contributions to our school over your time here. Some of you have been here since Kindergarten; others have joined us at various times. It has a pleasure getting to know you all over the last few years. Remember you will all go on to do great and varied things as you enter the next chapter of your lives. A favourite quote of mine from Robin Williams "No matter what people tell you, words and ideas can change the world." You all have what it takes to be part of changing the world. I wish you all the best of luck in your future endeavours.

We have been busy finalising classes and teachers for 2019. We have a plan that we think will work for the new school year. If our numbers change dramatically there will be a slight change in these plans. Students will be notified as to what class they will be going into and who their teacher will be when they return to school next year.

We are still awaiting timelines and logistics regarding our new build. This week we have had archaeologist on site and they have found new artefacts, therefore there will be further delays to our build. So in essence as soon as I am informed as to what is actually occurring I will inform the school community.

As this will be the last newsletter for the year, I would like to thank everyone in our school community for their ongoing support of our school. It is a wonderful place to work and I am constantly amazed by the great things that students do here. Whether that be academic, sporting or creative, you are what makes this school great.

I would like to thank all of the wonderful people who volunteer their time here to assist. Whether that be in classrooms, reading programs, scripture or assisting with the P&C, every volunteer makes a difference and we thank you wholeheartedly for that. All volunteers are invited to an afternoon tea on Monday 17 December at 1:30pm in the Library as our way of saying thank you. We look forward to seeing you all back next year!

Finally to my fantastic staff – thank you! I could not do what I do without your ongoing support and commitment. Your dedication to your jobs and to the students here is certainly outstanding and I value each and every one of you. This of course also includes our fabulous office staff Carol, Laura, Rebecca and Jan, Karen and Andrew our cleaners and Greg our GA, you all play vital roles and I thank you for all that you do for this school. It is greatly appreciated.

I would like to wish everyone a safe and enjoyable summer break and I look forward to seeing you all again in 2019. School resumes for students on Wednesday 30 January. I hope you all have a merry Christmas and enjoy spending time with your families and friends.
