Year 6 Farewell Gift Fundraiser

Thank you to everyone who dressed in Christmas/holiday outfits on Wednesday. Your generous donations raised \$600 which our 2019 Year 6 students will use to purchase a farewell gift for the school for all students to enjoy and appreciate!

2020 Book Packs

Visit officemaxschools.com.au to order book packs for 2020. Enter the access key **8XR5R**, your child's details and select the appropriate book pack for next year.

Principal's Message

It is hard to believe that another year has been completed at Lennox Head Public School, it only seems like yesterday that we were arriving at school for the start of 2019. This newsletter piece is an end of year wrap up as per my speech at presentation day today.

I can honestly say I am very proud to lead such a fantastic group of students, staff and that we have great community involvement. We are incredibly lucky to live in such a great close knit community which actively supports and looks out for each other. This ultimately helps to ensure the success of our students across their varied interest areas.

I would like to thank everyone involved in our school community for their interest and commitment in 2019, our hard working P&C who have once again ensured they have our schools best interests at heart and have been active in providing items our school has needed. The money raised in fundraisers late last year and this year has enabled the purchase of additional reading resources and 5 new interactive screens for classrooms. In addition congratulations to everyone in our school involved with our canteen. It is continuing to go from strength to strength and is making a great profit for the P&C.

To the many parent and community volunteers, thank you. Without your valued contributions, many of the additional learning programs would not be able to run. Your assistance with students and teachers in classrooms is invaluable. The smiles on the faces of both students and volunteers are a testament to the success and the improved results and confidence of students are an added bonus!

To my fantastic staff, both SASS and teaching, you are certainly without a doubt a group of dedicated people who care about this school and the children in it you all put in much of your personal time and effort because you care. You all largely do this without accolades or applause, as it is part of the job which largely goes unrecognized. I know what you all do behind the scenes. Your abilities to keep persevering on the rough days and then still having the ability to celebrate the successes is a testament to your professionalism. I would like to wholeheartedly say thank you to you all, as I get the enjoyment of visiting classrooms and seeing what a difference you make every day. It is a pleasure to work with you all. I would like to strongly encourage you to make sure that you take time out for yourselves, to ensure your own well being. This is an increasingly demanding profession and I sincerely thank you all for your efforts throughout 2019, you are a great team to work with.

There will be some teaching staff leaving us at the end of this year to move on to other challenges, we thank you enormously for your continued dedication and commitment to the students at Lennox during 2019 and for some of you for the last few years. I wish you well in your future endeavors.

I can confidently say as a school community, we are providing the best possible experiences and outcomes for our young people. I look forward to working with you all again in 2020. We will have several new staff members, 80 Kinders and other new students arriving so we will all look forward to welcoming them in the New Year. We will have close to 500 students in 2020.

To our outgoing Year 6 I am confident I will continue to hear wonderful things about you in the future and you can proudly say I was once a student at Lennox Head Public School. I wish you all the very best for your high school education and beyond. To the students that held leadership positions this year, thank you for the great work you have done.

Next year will be an interesting year with our major capital works beginning by possibly mid July. This will create some challenges for us all – but by this time next year we should be over half way through our new build. Patience is a skill that we will definitely need next year. We should now be very good at it as we have been waiting a long time!

I hope you all have a Merry Christmas and enjoy the holidays with family and friends. I am looking forward to all of the great things that will be achieved by you all in 2020

Kind Regards
Deb Langfield

Canteen News

Friday 13 December is the last day of the year the Canteen will be operation. There will be no canteen available next week - week 10.

Friday Assembly Awards - Week 7 and 8

Gold Cards

The Dolphin Class Award

The Dolphin Award is given to the class that demonstrates the best listening and participation skills during the weekly assembly.

Week 7 class: 3/4M
Week 8 class: 1V

Kindergarten Concert - 'Tari's First Christmas'

Kindergarten had a wonderful time presenting their concert, 'Tari's First Christmas' in Week 7. There was a lot of organisation and rehearsals involved and the students should be commended for their tremendous effort! From the wonderful costumes to the fabulous face painting, the Early Stage One Team would like to say THANK YOU!
