General Business

- Post Sass gifts and P&C school donation on the facebook page.
- Carmen, Music Program seems to be lacking in the school this year and a lot of children seem to be missing out. Is it a funding issue and can the P&C support in anyway. It was discussed that there should be more value in other areas such as music, drama, art in the school. We would like to see the music program return and more value for academia.
- Lions Lens on Lennox Calendars, \$10 each. Minimum order of 100. Will be ready for delivery in November. Kerren will order 200. Orders in by the 12th November
- We will now do an Acknowledgement of Country each meeting.
- Neighbours on Banksia Avenue have made a complaint about the noise and rubbish thrown into their backyards by the children sitting on the fence line.
- School newsletter is missed for information and community sharing. On school website could parent information please have the P&C information added. Is there a possibility of the students taking on the newsletter or portions of the newsletter for each stage?
